

# The European Ehlers-Danlos Syndromes Conference

Friday, 6 April 2018 for medical professionals  
Saturday, 7 April 2018 for people with EDS  
Crowne Plaza Maastricht  
Ruiterij 1, 6221 EW Maastricht, The Netherlands

The Ehlers-Danlos Society, together with Congress Care, are very excited to bring together leading world experts to discuss Ehlers-Danlos syndromes and related disorders, including the newly-described hypermobility spectrum disorders. This is our first European conference and we look forward to meeting experts and those affected by these conditions from across Europe.

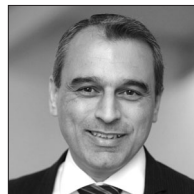

## Registration fees

Medical doctors, health care organisations, insurance companies, policy makers.....	€ 375,00
Medical doctors in training .....	€ 175,00
