

LEGEND TRAINING SCHOOL

in collaboration with the I-BFM Genetic Variation Committee

“Predisposition to hereditary Leukemia and Lymphoma”

Bertinoro, Italy, October 11-15th 2021

Application opens on December 15th 2020

Application closes on April 15th 2021

Application process consists of two documents:

- Application form (download the attachment)
- Letter of recommendation (mentor’s free style)

Candidates are kindly asked to carefully fill out the application form (in word format) and send it with the letter of recommendation (in pdf format) to the LEGEND email address info@legend-cost.eu before *April 15th 2021*.

Trainees can apply for the reimbursement of their participation costs, including travel and accommodation costs. Participation in the training school ensures EACCME points. Reimbursement and CMEs requires full participation. More instructions will follow upon admittance to the training school.
